	<p>AMOUNT</p> <p><b>PART I - SECTION B</b> <b>SUPPLIES, SERVICES, PRICES/COSTS</b></p> <p>For the transcription, pressing, binding and distribution of print/braille books in accordance with the contract Specification 803, statement of work, and terms and conditions. The Library is interested in producing two (2) styles of print/braille books:</p> <p><b>Standard Cover</b>, which may be either flexible or hard - type of book traditionally produced by the Library.</p> <p><b>Special Cover</b> which is a hard cover that replicates a full-color imprint of the cover of the print book.</p> <p><b>BID CALCULATION:</b></p> <p>For purposes of estimating unit costs, average quantities are stated based on historical data. Actual quantities will result from selection of titles after contract award. An average title is estimated to be 39 braille pages. An average requirement will be 194 copies per title.</p> <p>The number of copies are expressed in each tier for the greatest number of titles in that tier.</p> <p>For a bid to be considered responsive, bids shall be made for each item and shall be made for each tier starting with the lowest (1-20) up to the tier considered by the bidder to be the bidder's maximum capacity. Bids for any tier which leave a "No Bid" for lower tiers shall render the bid non-responsive and it will not be considered for award. Tiers above the bidder's considered maximum capacity may be "No Bid" without rendering the bid non-responsive.</p> <p>Bids on the following schedules may be made for either the standard cover or special cover or for both covers. Each item will be evaluated and awarded separately. The Library reserves the right to award all, none, or some of this solicitation.</p>
